Keywords: Dimensions, Commandments, I-Ching, Oneness, Religions

Summary: A quick look at how we first discovered that the commandments

There is no way to explain how I came to arrive at this decision or even help. Basically The Commandments, I-Ching, numerology and dimensions research what other beliefs do, yet I presume most are similar, as this m Let me start by going over the commandments.

1: You shall have no other gods before me.

2: "You shall not make an engraved image for yourself, nor any likeness above, or that is in the earth beneath, or that is in the water under the e yourself to them, nor serve them; for I, Jehovah, your God, am a jealous the fathers on the children, and on the third and on the fourth generation showing loving kindness to thousands of those who love me and keep my

3: "You shall not take the name of Jehovah your God in vain: for Jehovah who takes his name in vain.

4: "Observe the Sabbath day, to keep it holy, as Jehovah your God comm six days, and do all your work; but the seventh day is a Sabbath to Jeho shall not do any work, you, nor your son, nor your daughter, nor your ma servant, nor your ox, nor your donkey, nor any of your livestock, nor you gates; that your male servant and your female servant may rest as well a that you were a servant in the land of Egypt, and Jehovah your God brou mighty hand and by an outstretched arm: therefore Jehovah your God con Sabbath day.

5: "Honor your father and your mother, as Jehovah your God commanded be long, and that it may go well with you, in the land which Jehovah your

6: "You shall not murder.

6 "Neither shall you commit adultery.

7: "Neither shall you steal.

8: "Neither shall you give false testimony against your neighbor.

9: "Neither shall you covet your neighbor's wife;

10: neither shall you desire your neighbor's house, his field, or his male servant, his ox, or his donkey, or anything that is your neighbor's."

(Deuteronomy 5:7-21)

11: love one another through gods love as Christ did.

Teaching them to observe all things, whatever I commanded you. And, be days until the end of the world. Amen.

(Mat 28:20)

12. Spread wisdom as Christ did.

And he said unto them, Go ye into all the world, and preach the gospel to every creature. Whosoever believeth and is baptized shall be saved; but he that believeth not shall be damned. And whoso shall follow them that believe; in my name shall they cast out devils; they shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover.

(Mark 16:15-18)

Now if you know the vision of Daniel concerning the ram and the goat with their horns, as Christ came out with two commandments.

Then let's have a look at the I-Ching and how the numbers work in eastern philosophy. I do not know the I-Ching is about 5000 years old

1. Oneness, I, The thing that everything is made of
2. Couple, complete number, an image
3. Solid object, the building blocks of life, logic
4. Time, movement, flow
5. Waiting, still, disorder, contemplation
6. Man, not enough
7. Heaven, yang
8. Earth, yin
9. Chaos, before completion, to much

If the I-Ching were to continue and contain the extra as to match all the things in the world like so theoretically

10. Completion, finished, life, simplicity

11. Love, compassion, peace, harmony

12. Wisdom, noble truth, unconditional love, completeness, humbleness

This would be in keeping with the logic of the I-Ching adding an extra ex rhythm the same as if you played jazz. It would then make the I-Ching a image could have expression, ether hard or soft.

Now if you can see what I am getting at the Dimensions

1 = length

2 = width

3 = depth

4 = time

5 = Gravity

These are where we have got to with science. So what else is there out s these? Existence, so from both the commandments and the I- Ching let m the other dimensions sit. The same as we knew in the past yet the 13th o ultimate wisdom not man.

6 = Matter, Physical.

EM waves (radioactivity ect.), light travel through space therefore they h of existing quark

7 =Anti matter, non-physical.

For every action there has to be an equal reaction so therefore somethin matter or existence

8 = Infinity, unlimited time.

On four we only look at the existence from a now perspective. Yet existe that and contained by time; as gravity produces time.

9 = chaos

What can we have out side time?

10 = everything exist on a whole, Zion

For the universe to exist as a whole it must be encompassed

11 = heaven, love

Love as many say adds a dimension to life. The universe works in symbiosis. It was created by God, who created it, must love; we love; as does nature!

12 = wisdom

Whatever has created us has immense logic and organization. From looking at the world we can see it has ultimate logic

13 = god, everything, ultimate oneness, center of the universe

Where else did it come from and how else could it exist? When it continues to exist

Miracles happen people, are reincarnated it a proven fact Christ even said that he would be back again soon!

So something more than anybody can possibly ever imagine exists and creates every last one of us out if we are willing

Now let's look at this all together. These are two of the oldest books in the Bible by chance. Do we understand he is one and shows us all?

Not just some of us, which is ego, not the way of god but man!

This is why 66=fallen man and 666=fallen man who believes matter and ego

"The mysteries of Babylon".

Ok if you understand me, you will see why people say they see steps where there are none

Druidism is an oak tree of wisdom to heaven along with a lot of other myths and beliefs together to re-explain the commandments from a world view in mythology

1. Do not worship any other gods including your self, in all ways lean on what is in some ones heart. Only god does so let him pass judgement on you and want to say something back, but do you really know where they are coming from?

No only god does, can you change there heart? No! you can only change your self, but god doesn't change.

Only that little voice of god inside them can change them. So lets all lean on god in peace instead of being (?!) and egotistical for it is all vanities.

2. Do not make an idol or any image of god what so ever. How can we worship an image? Every one of us sins even though we don't mean to. God is one and all the gods are just our look at all religion. We can't help worshiping each other at times, it is just our mistakes; Every last one of us.

We are in the book of life we all have to learn from it; to be tested the s

Plus when we lean on each other for support we drain each other, if we a
we love through god he makes sure a path is straight.

3. Don't give god any name if god is transcendental and infinite, how we
god only comes from the word good. So how can we take something that i
bad word this is daft yet we all do it and blaspheme! if god is truly the g
even his name would be to much for us to take so how do we think we ca

4. Do not work on the Sabbath which ever day that may be for your cultur
day of rest else you over do your self. Meditation is needed ever day in
constant state of awareness, this is need as to be able to be still and tru
time with people and share in what is good to help spread gods love and

5. Respect and do not dishonour your parents. When it says one farther o
one farther being god. Therefore one mother being mother earth for with
we have a symbiosis with her. The same as when you are in the womb.

6. Do not kill anything. If we kill we are one with death. when we eat dea
what you eat as all is matter and what ever you eat you become.

7. Do not commit adultery to look in desire is as well. For why do we loo
objects, it is ok to look at a flower. But to drool over it when it is not yo
rotting our minds. If we all think in 7 and create in 6 then this is why so
thought when in harmony.

8. Do not steal. Why steal? If we trusted as a family there would be no n
enough. Yet we all fall down to the 1st step and go "I' want it is mine. N
time and the tress and plants get what they need in due season so do we

9. Do not lie we wonder why the world is in chaos of course we are just t

The truth sets us free don't lie to your kids. It confuses everybody more
I know it is some times harder but it really does set us free.

10. Do not desire anything of anybody else's because we all feel it in sp
something of yours it leaves you on edge.

11. Love one another as Christ loved for Christ was love and we killed hi
the truth. He was foretold in many faiths for who he was. If the bible was
promote Paul's faith more then Christ we would know this (please read m
info).

12. spread wisdom of all that is good for when we start to be like Christ
out of the order of Melchizedek meaning prince of Salem(peace) in the bi
of god. God gives us knowledge and it is selfishness alone that makes us
we learn that unless we share we will get no where and destroy the world
speak as it does. So be warned!!

13: If the universe stays in constant balance as does life. People get mi
one of our thoughts. Therefore if this is the case god must be all things
cause miracles. So this is the final level as all prophets have learned of
our self's.

This is just theoretical, I would be interested to see how many people co
think?

Quote:

I will be adding to this shortly and Possibly rewriting it, as this is when
it better now.
