Keywords: Bible, Messiah, Christ, God, Armageddon, Judgement, Prophecy

Summary: As requested by some, I've wrote to the Chief Rabbi in the UK, given me prophetically before Judgement Day.

Dear Chief Rabbi,

I've known since 4-5 years old I'm sent from Heaven with my name in many texts; where I've always had advanced details about Biblical prophecy, and on 8/25, I'd try sharing that with the world before the Great Tribulation.

For the last 17 years I've been asking a professor of Kabbalah with the title 'The Beggar' to pass this on to the rabbis, and then his friend with a masters title 'Olam Chesed Yibaneh' for the last 7 years; they've both frequently requested explaining what I've stated to them, as without a Rabbinic authority look properly question all the details of the case.

There is a lot to what God has shown me throughout my life, and without the help of it, many overlook it; so please be patient to investigate the whole case.

I understand from a Rabbinic perspective many automatically reject the Messiah without careful examination, much of this can be shown as an elaborate test, which was set up by it on purpose, and the true Jews were meant to know this.

It has always been my understanding since 5-6 years old that the world has been following anti-Christ's doctrine; where with study I've realized we can easily be misled around making "I Am" statements about himself, and that the Gospel of John was given by the Sanhedrin. The Synoptic Gospels with 3 partially matching patterns, and John being a random pattern in the sequence, is like an advanced moralism.

Saul was purposely named that, where without vowel points, 'Saul' and 'Shaul' where Yeshua (God's Salvation) was teaching a living Gospel, and Saul (Paul) was a 'Covenant with Death', as ascribed in the Bed of Adultery in Isaiah 28:

Simon was called 'petros' by Yeshua as he was to mislead people with the Law (Zechariah 3:9, Isaiah 8:14-16), and we have Midrash stating that Simon (Ebionites), joined Paul, and they both created Christianity together.

Some of the concepts within the Sefer of Zerubbabel can easily be shown to have both a true understanding of the Messiah (Yehoshua/Yeshua), and the name (j+sus/j+ses).

We can see how Moses changed Hosea's name to Yehoshua, adding an ad making it mean, he 'Shall be a Saviour/Deliverer', as a prophetic utteran into the promised land; this continued with Yehoshua son of Yehozadek, from the Babylonian Exile.

Then Yehoshua son of Joseph & Miriam was again prophetic naming, whe Yehoshua for he 'Shall Save his people'; yet his brothers then throw him given a great inheritance to share with the strong.

The word j+sus was purposely part of a false prophetic naming in Genesi Isaiah 51:8 is compared to the word Yeshua; where when Yehoshua point give the Gentiles the Bible, as they will muddle it up, the terminologies 'to tear' (j+ses) to pieces, have been done in the same prophetic order.

The word salvation (Yeshua) has tons of additional prophecies that are o too complicated in a normal reading mechanism to understand all of its c way I've found to properly study it, is to use the free Bible software Esw index number searches, which then helps us look at all contexts applied the texts.

For example when we look up 'Yeshua', and 'to become' this is really imp Exodus 3:14 when the Lord said, 'it will become, what it shall become' th to the people.

H3444 (Yeshua) + H1961 (To become) = Exodus 15:2, Psalms 118:14-21, 10:11 David Vs Ammon) + Isaiah 33:2-6, Isaiah 49:6, Isaiah 51:6-8.

H3444 (Yeshua) + H7200 (To see) = Exodus 14:13, Psalms 98:3, Isaiah 5 Jehoshaphat Vs Ammon).

Here we see that it was the Salvation of God that separated the Red Sea of Moses, that the 'Lord will become our Salvation' is then part of an ong When David fought the Children of Ammon, the Lord said 'it will become 'see' when Jehoshaphat fought Ammon the Lord's 'Salvation' defended th

With a careful study of the prophetic utterances, it shows that Yeshua wa of King David; where there is a typo in Isaiah 52:14 - As there is an add 'marred' in the Dead Sea Scrolls (1QIsaa), making it 'I Anointed'; this th paraphrasing Psalms 89:19-21:

Psalms 89:19-21 Then you spoke in vision to your saints, and said, I ha warrior. I have 'exalted' a young man from the people. (20) I have found anointed' him with my holy oil, (21) with whom my hand shall be establis strengthen him.

Isaiah 52:13-14 Behold, 'my servant' will deal wisely. He will be 'exalted very high. Just as many were astonished by him, for 'I anointed' him mor

and his form more than a son of man.

When many claim the 'my servant' is ambiguous in Isaiah 52:13, this misinterpretation was clearly defining it to be a return of king David, by definition of the prophet.

Isaiah 53 is not all it seems, as it is meant to be so contrary to the Law, 'not believed such a report'; where in verse 1 it interlinks with Isaiah 28:9-19 (Isaiah 28:7:26) to create the Bed of Adultery (Isaiah 28:20-21), which Hebrew speakers have noticed.

Within this same prophetic naming of the Messiah, in Isaiah 52:10 is that the Messiah is placed into a sanctified vessel to be the Suffering Servant (Messiah Ben David) as the triumphant king Zion in Isaiah 52:7.

This is where in Zechariah 12:8-10 the people mourn for king David as the Messiah when the Gentiles come to the Jews, as they hear that their Divine Being is with them.

Having had a Near Death Experience myself, and always having remembered the Divine Council, the language errors have muddled everyone up since Babylon. The primordial God, and Elohim refers to Divine Beings/Avatars - which should include Archangels.

In Isaiah 46:11 I was called Adoni Melchizedek by a red robin before starting my journey, years old, and in Isaiah 46:9 it declares that 'El is not like the Elohim', which is former theology in Deuteronomy 32:7-9 - where El Elyon separated the nations and gave the nation of Israel to YHVH Elohim.

If we analyse the language used by Job & these Psalms, we can see they are declaring their sentences, declaring there to be the Source of reality, and then the result.

2 Samuel 22:14 & Psalms 18:13, Psalms 21:7, Psalms 50:14, Psalms 78:3

Job 5:17, Job 6:4, Job 11:7, Job 22:26, Job 27:10, Job 31:2, Job 40:2

Because of the rejection of the Divine Council since Babylon, as it was then simplified into a form of henotheism; this is where Judgement Day was defined in Deuteronomy 32:7-22, as the former theology has been replaced with new concepts.

The original theology was similar to the Dharmic structure, where Brahma (the reality), and Bhagavan Brahma means the 'Lord who makes manifest' or 'to be' when translated into Hebrew, became Yah-Havah, where 'Yah' means 'Lord' the same as Brahma 'to be', 'to make manifest' i.e the Creator Divine Being.

Since I've been sent before the closure of the Bed of Adultery, like a 'Passover' (Isaiah 28:4), to see if I can fix it, I'm writing to you before Judgement Day ascribed the same in religious texts globally; so though I understand much more, it may not sound out there in comparison to what you might understand, if we don't have a fire (Jeremiah 23:29), then Judgement will come on many unfairly, as many believe that these advanced contexts exist.

In Jeremiah 23:6 when it says the 'Lord Our Righteousness', in Hebrew (anagram of our name Zanda; which is the same specific naming as we call ideas around the world:

Sandalphon (Judaism). Yeshua (Sananda) (New Name of Christ). Kalki (Nandaka)/Skanda/Sanandana (Hinduism). Ahura Mazda + Saoshyant (Zan (Zoroastrianism). Maitreya (Ananda/Skanda/Suchandra) (Buddhism). Odin = Zeus = Zan (Greek). Zanahary (Madagascar). Itzamna (Mayan). Izanagi/Itzami (Kuntuzangpo/Kuntuzangmo (Tibet). Shuzanghu/Zumiang-Nui (Dhammai - Nippon). Gozanze-Myo (Japan). Manzan Gormo (Burait - Middle Eastern). Marzannu (Hittite). Your Divine Being Zion + Zan (Psalms 146:10, Psalms 147:12, Psalm 16:2). etc.

I've come to understand that the Quran was a continuation of the Ebionites who were showing that Christianity was a corruption of what was prophesied; placed under the Curse of Moses (Deuteronomy 28), when they rejected the 30 pieces of silver (Zechariah 11).

Soon because of the divisions between the religions, people will fight each other in Armageddon, where it will wipe out mankind; where at this same time it is prophesied that Betelgeuse will go supernova (Isaiah 13:10, Ezekiel 32:7, Zechariah 14:7). In the Messianic Age, it will only be those in the Messianic Guest-List that will survive.

It is possible to fix some of the divisions between Islam and Judaism, which was (High) translated into Arabic is 'Ala Ilah'; the Quran referenced the Divine Being, but wasn't fully understood by that point in history, so wasn't repaired.

The identity of Yeshua is shown within the Tanakh, as the spirit of the Creator (Eloh) placed into a physical being to interact with mankind; yet to fix the prophecy that I'd need your help to establish that I've returned with a new name for the world's religious concepts (Isaiah 40:9).

I've had God speak to me explaining prophecy whilst growing up, which I discovered on a mountain called Atlantis in Ibiza; which is said to be a Doorway to Heaven (Carthaginians, Romans, Phoenicians, Hittites, etc). - Three years later, when I read the Bible, I realized that this was recorded in Revelation 10; where the Angel of the Lord is coming down to mankind is Sandalphon. This reference of the Pillar corresponds to the returning Messiah is our name, and then when cross-referenced globally as one, it makes it clear that what I knew at 4-5 years old, that Heaven can be proven:

Revelation 3:12 He who overcomes, I will make him a pillar (Sandalphon) and he will go out from there no more. I will write on him the name of my city of my God (Zion), the new Jerusalem, which comes down out of heaven and has its own new name (Sananda).

This is only a start of some of the details I'd like to explain from the work, but much to understand, it needs experts to go over much of it, and make it clear.

To be very clear the statement in Revelation 10 is of the Trumpet sound on mankind; also recorded in Joel 2:1, Zephaniah 1:16-18, Zechariah 9:1 overlooked, then Judgement will soon come on mankind, and after God will already followed what was stated.
