Summary: Christ and his followers believed in reincarnation, until 533 A.D. that Paul established ended it.

Now many people within the Christian world do not believe in reincarnation. It has not been this way. Up until 553 A.D. it was believed that this is what happened. That reincarnation was fact. Yet in 553 A.D. the Roman Church abolished it. They no longer believed in it. Now if Yeshua preached this, isn't it supposed to be his church? It was preached differently by Paul, who established the church in Rome. So what is the church that Yeshua preached?

Quote:

Heb 9:27 and as it is appointed to men once to die, but after this the judgment.

This in some ways correct as when you die, you will be judged for the actions you did around the world. Many people have experiences of reincarnation, some people have memories of past life's including Christians, I have met. There are children born with talents and families, and past items that were theirs in a past life, knowing all details of their past lives. Things that only they would have known, if they were, the reincarnation of Buddha's are rigorously tested to check, that they are the reincarnation of someone. They will have to point out, from hundreds of items and identify what was theirs in their past life as the same spirit.

Now as a follower of Yeshua is this correct, you may ask? Well what did Yeshua say?

Mat 11:13-14 for all the Prophets and the Law prophesied until John. (11) And I say to you, this is Elijah who is to come.

Mat 17:10-13 and His disciples asked Him, saying, why then do the scribes say that Elijah must come first? (11) And answering Yeshua said to them, Elijah truly shall come first. (12) But I say to you that Elijah has come already, and they did not recognize him to him whatever they desired. Likewise also the Son of Man shall suffer many things. His disciples understood that He spoke to them about John the Baptist.

Mar 9:12-13 and he answered and told them, Elijah truly does come first. It has been written of the Son of Man that He should suffer many things. But I say to you that Elijah has indeed come, and they have done to him what was written of him.

This is very clear that Yeshua said that reincarnation can happen, as Elijah said.

many years. So to say that John was Elijah must mean that reincarnation from the beginning of John's life, so if Yeshua said he was Elijah then that is not that they are the same person in mind exactly as they lead different lives. Within the western world get it a bit muddled up, as you see we are taught from a young age. What occurs is the spirit is not the body; the spirit is what makes someone who they will be. Even if you try and teach someone something they will accept, is what they will take in. All that is learnt in the spirit is information, are learned in the mind can be lost, as this is just part of flesh. Now when you die is who your spirit is, Ego within the spirit is what causes separation.
Quote:

Mar 8:27-30 And Yeshua and His disciples went out into the towns of Caesarea Philippi. On the way He asked His disciples, saying to them, who do men say that I am? They said, John the Baptist. But others say Elijah, and others say one of the prophets. He said to them, but who do you say that I am? And Peter answered and said to Him, Lord. And He charged them that they should tell no one of Him.

This shows that as well as what Yeshua said, at that time people must have believed that they can be reborn in another body. Else why would the people believe that Yeshua was the Messiah, partially believe in reincarnation, as in Jerusalem they are waiting for the Messiah to do things, so that they may begin to build the temple.
Quote:

Mal 4:5-6 Behold, I am sending you Elijah the prophet before the coming of the day of Jehovah. (6) And he shall turn the heart of the fathers to the sons, and the hearts of the sons to their fathers, that I not come and strike the earth with utter destruction.

Now within all I am saying, Elijah may still come again and may be already here. Infinite and the prophecy concerning Elijah has still to be fully finished. Now an angel from God appeared to Zacharias, the father of John the Baptist.
Quote:

Luk 1:17 And he shall go before Him in the spirit and power of Elijah, to turn the hearts of the fathers to the children, and the disobedient to the wisdom of the just, to make ready the Lord.

So later when the priests came and asked John is he Elijah, either John had been told by God's angel, which would be seriously doubtful. As you would expect his father would be, to tell his son something like this.
Quote:

Joh 1:21 and they asked him, what then? Are you Elijah? And he says, I am not. Are you the prophet? And he answered, no.

Else again as in other parts in the book of John this is made up, to cover up the fact that both John the Baptist and Yeshua were the same person. Also even if he was Elijah in spirit, in flesh he led his own life. Elijah lived in a different time period and experience was the same. Even if he did say these things, it wouldn't matter as we are told that an angel, that he did have the spirit of Elijah. He also dressed the same.

Quote:

Mat 3:4 and the same John had his clothing of camel's hair and a leather sash, and his food was locusts and wild honey.

2Ki 1:8 and they answered him; He was a hairy man and was bound with a sash around his loins. And he said, He is Elijah the Tishbite.

So with in all of this you can see, what has been taught by Paul and his disciples, which Yeshua originally taught. As it is quite clear from the evidence that reinstate the church is the mother of all harlots, as in revelations. The daughter's of Zion with the lies even though most Christians don't realise this to be the case, that whilst we believe we only live once, many of us do not focus on improving the world a better place for when we return. Not so much the true children of God, dedicated, yet those who don't study, as they know Christian beliefs and are not following all the principles. So this is a large reason the world is slowly decaying, everyone knew they would have to come back until they had perfected their faith, harder to get it right the first time. So lets us as people try and follow the path that currently does, those who are Christian, follow who you are supposed to follow, currently is the case.
