As has just happen Suzy I wouldn't worry about people cheating over 150 for trying.

For those who don't cheat, its all good.

Adding someone as a friend on the game for advice though is cool.

So if you do need help I am always willing, and the main reason I have g to help others.

I wish more people didn't just live to satisfy their own EGO, it is always

Helping other never ends

Amazing how much you can see in something if you look i.e. the simulari and the real one.

my name is wizanda on the game as well, if you need me, won't be back o

Good luck all
