Now this may be confusing for many, yet this forum even though it says Christians to be followers of Christ, this is in fact not true.

You see what are followers of Christ teachings called?

Disciples!! or followers of the way.

This forum is for the lies taught by the Pharisees, Paul, John and Simon.

You see you can't follow both as they contradict each other.

So there has to be separation, this in fact is what Christ meant when he spoke of division, as foretold and I have discussed in some of the articles.

This is slowly starting to become more known, yet the churches try to keep it hidden as they have done for the last 2000 years, yet the time has come to stop this.

I will be happy to explain every last point on here to everyone why, about this.

If you have any questions, please ask, as this is what I have been sent here for studying to help guide all, to what a true follower of Christ teachings should be.
