Personaly I did not feel any attempt by Suzie to preach or shout the Good news of any Spiritual Butte at all. I found it very neutral coming from deep spiritual experience.

I want to join her drum circle sometime!

"So please be careful how you approach a subject, you do clarify at the end of the post not feeling attacked."

Why do you think things need clarification? Her post was a open ended joyful life I am most grateful to be able to be apart of.

Is not Suzie a member of this sites inner circle?
