Did you also know that in 1980 the Hebrew University officially announced that the Bible contains cannabis?

This can also be even seen with a strong concordances as the words are

So if God created this and many of the ingredients are drugs of some description. The fact that it cures (Jeremiah 33:6) many illnesses as we are told by M. Quote:

Mar 6:12-13 and they went out and proclaimed that men should repent. (1) demons, and anointed many who were sick with oil, and healed them.

It's a shame followers of Christ (Anointed One) never really took off as a result of not having Christians (Anointed One's); who would heal people with this oil. There is odd Churches doing this, yet the laws within our countries are not infringed on religious rights, yet then they prescribe it to you at cost.

Yet no one knows about it and so our young get misled and if it isn't done properly in Isaiah 30:32, then there will be taken as spoken in Isaiah 10:27.

No wonder you now have gangsters involved with a substance that according to the Bible and must be kept holy, as all ingredients in the holy anointing oil should be.

It's funny how many words you will find it translated as, here is a few I have used to check things:

- Fragrant cane (HNV)
- Aromatic cane (ESV)
- Sweet calamus (ASV)
- Sweet myrtle (Darby)
