Scriptures on Potters Field

While searching the Bible the other day I found a prophecy, that I hadn't didn't understand it. Yet with time it has become clear and may shock many that 1st Jews, then Gentiles, which as far as this prophecy states and then As they killed the vine dressers son and so the owner of the vine yard; wine dressers, as in Christ's parable. Now this same principle has been prophesied in Zechariah. I have added to this in brackets, all bits to make it a bit easier referring to.

Quote:

Zec 11:3-17 There is a voice of the howling of the shepherds; for their voice of the roaring of young lions; for the pride of Jordan is destroyed. God: Feed the flock of the slaughter, (5) those buying them kill them, and And those who sell them say, Blessed be Jehovah, for I am rich; and they them. (Jewish people and their teachers) (6) For I will never again pity them. Jehovah; but lo, I will make the men come out, each one into his neighbor's hand. And they shall strike the land, and I will not deliver out of their hand slaughter, even the poor of the flock. And I took two staves for myself; the (grace), and the other I called Union (inheritance). And I fed the flock. (shepherds (Sadducees, Pharisees and Levites*) in one month; and my soul and their soul also despised me. (9) And I said, I will not feed you; that which is to be cut off, let it be cut off. And those left, let them eat, each (Fake communion) (10) And I took my staff Kindness (grace), and broke it covenant which I had made with all the peoples. (11) And it was broken in of the flock who were watching me knew that it was the Word of Jehovah. is good, give my price; and if not, let it go. So they weighed my price the Judas) (13) And Jehovah said to me; Throw it to the potter, the magnificent valued by them. And I took the thirty pieces of silver and threw them to the Jehovah (Potters field in the land of Israel). (14) Then I broke my other apart, that I might break the brotherhood between Judah (Muslim) and Israel (15) And Jehovah said to me; Take to yourself yet the instruments of a fowler (16) For lo, I will raise up a shepherd (Paul) in the land who will not care will he seek the young, nor will heal that which is broken, nor will he feed shall eat the flesh of the fat and tear off their hoofs. (17) Woe to the wolf who abandons the flock! The sword shall be on his arm and on his right eye; he dried up, and his right eye shall be utterly darkened.

*Now people may think the 3rd sect is the Essenes, yet within what Christ taught, the Pharisees, Sadducees and the lawyers (Biblical law) i.e. Levites keepers of the law would fulfil this to the letter as indeed they didn't like him and he tried to be just, not unjust.

Before explaining this; 1st here is the bit that makes it clear, that indeed the chances of this happening as foretold are immeasurable.

Quote:

Mat 27:3-8 Then he who had betrayed Him, seeing that He was condemned, returned the thirty pieces of silver again to the chief priests and elders, betraying innocent blood. And they said, what is that to us? You see to the thirty pieces of silver down in the temple and departed. And he went and hanged himself. And the chief priests took the silver pieces, and said, it is not lawful to put them into the treasury, for it is the price of blood. (7) And they took counsel and bought the potter's field with the money. (8) Therefore that field was called, The Field of Blood, to this day.

So the price of the son of God was 30 silver pieces, the shepherds as they were given the option of accepting Christ or not. Yet instead they chose to have his betrayal was only 30 pieces of silver. Then the bit that makes this funny is what are the chances that Judas would choose the potters field in the last days to the letter.

The part of the eating of the neighbours flesh, I believe to be referring to the fact that you must eat the blood (wine) and flesh (bread) of Christ symbolically as if truth, establishing communion. When if you look at the testimony of Christ and doing this according to the law of the Torah; you will be kicked out of the temple. Within Christ's teaching he basically disowned the Pharisees, Sadducees and the lawyers (the Biblical law); Matthew 23 is a good example of this. So this indeed became the vine dressers, not giving the fruit to the owner, or in this prophecy that Christ gave to the poor and helps teach them the things of God, as the Sadducees were doing, yet instead they just filled their own pockets. So this means that the Pharisees that first Jews then Gentiles, the Jews cut them self off by this act of paying for their sins. Now the second part to this is the foolish shepherd, being Paul of the Pharisees, the sheep of Israel, as the disciples were instructed to tend too. He then went on to his sided idea (blind in one eye) of what Christ was about, with out referring to his own interpretation.

Also we can see, as I said at the start, as this prophecy was fulfilled, because of the shepherds to be kicked out i.e. Pharisees and possible Sadducees did a remarkable job of covering this up with a web of confusion. Paul managed to re-establish many of the old teachings of his own (Pharisee), yet then established a system that follows to their ways and not Christ's. The only thing with all this that have been very sneaky down here. Yet when it comes to heaven, all they have a path for many. Paul being the foolish shepherd tells us they searched the scriptures but couldn't find it. This is how I found this, as I searched the scriptures for the first time I found this. So unlike Paul taught, we have grace as they killed Christ, I believe the prophecy states, you have been cut off from God's grace through Christ. The Pharisees have written, you prove your self not worthy of heaven, as you are full of iniquity, because you believe man is God, and by the son of God being

eternal life.

This is why Christ said he came to bring division, as what he did was giving and fulfilling this prophecy that the sects should be stopped. The meaning of the Bible and Israel has happened, even though they may have forged half of the Bible. The reason being is that Mohammed came from Judah and said that Christ had been changed. The Pharisee or Jewish made these changes and so now it is Judah against Israel.

So indeed every part of this has been fulfilled, it may have been covered in the teachings, yet the truth remains, and the prophecy has come to pass.
