David,

I don't wear crystals or stones to make me feel better. Although they can

I am a crystal being! Humans are crystal beings!

Reference: It is natural to be naked!

I wear them because they are fun! Never heard that girly's like sparkly things. Inexpensive stones and crystals make me happy, as much so as finding a stone in my coat pocket just out of the blue! I don't own diamonds. Does this sound like herkimer diamonds and usually buy a dozen at a time. I am not sure if they make me laugh and smile!

The necklace I wear everyday is a gift handcrafted and wrapped by my best friend. I take it off except to clean it. It is special to me because it was made by someone I love. Do you see?

Wearing a second necklace of mala wooden beads around my neck because they are special to me as well. They have a meaning unique to me. They make me smile. And they serve another purpose.

Finding a stone on the ground or a bird feather upon my path! I just have to smile...perhaps ask if I may even pick it up and bring it home with me. I love it!

Your guitar makes you smile! It resonates!

Enough David...it is ok to just not understand.

Blessings to you,
suzyq
