Welcome Jesus from Heaven!

I was curious if you were Jesus from Mexico? I have two friends who speak and pronounce it in Spanish.

What have you come to share with us?

Many of us have grown wild and rather untamed in your absence, we appear to have to decide for ourselves, ultimate truth.

Yet, too many privileges, so many choices, unlimited abilities to choose, many do not understand the full consequences of their actions. Many do not grasp the meaning of many of the parables as yet unsolved.

Are we to remain forever in babble?

Love and Gratitude,
