I awoke in the middle of the night thinking what am i doing up at this time

Then it struck me i had just had a vision even though i suppress dreams b

The dream had almost vanished, yet one word remained and the last part

The word 'Kali' i had never heard this word before i was going to put the
least write the word down

yet as soon as i thought i will be alright i dont need to write it down i fo

Then the weirdest thing happened i am reading this book on the similarit
krishna consciousness

The next chapter i got to included about Kali the first i had heard of it i
knew the word

So i looked it up

This is so weird

I have so many miracles like that I have known the word avatar since 3-4
it with my self for some unknown reason untill now

Basicly what happened in the dream is God or some one of greatness ga
end to Kali in it

and then I woke up
