Religion is not the same as spirituality.

Spirituality is all about adhering to spiritual laws. which religion, nor a do.

Religions and politics are intrinsically linked. Because of who or what is and what is at the 'head' of religions. (there is an interaction going on b realms of false gods (calling themselves 'ascended masters'.. when they and mastered nothing in particular, and the covert, elite, very small but in control of this planet.. called Illuminati/Andromedan-Anu Hybrid/Anu R Drakonians (they are reptiliions on other planes of reality, using a phys normal life).

(if you feel confronted at this knowledge Beloved, go within, or use a pe your mental mind cannot).

God/source/souls, do not want prayer or praying, they want communicatio communion. When one prays to god/jesus/mary... it is not they that hear This is tantamount to begging (spirit asks we INTEND AND COMMAND our the manifestation techniques and mechanisms).

There are beings that appropriate this chi (as one loses chi in prayer an Yawheh/yehod, and Lady Nada.

In truth we Ascend

And not all Truth is sweet, beauty and love.

HOwever we do not ascend in ignorance - this is called 'lifting veils' - an immense control we are ascending from.

Earthmother deems these beings as a "large insidious, hierachial tree, w pretending protection, and their roots so deep and widespread, infiltrating good and beautiful. The only solution is to ascend"

Namaste and Blessings
