Vanda - karma is very defined matter in our etheric body.

Affecting many things until erased - and karma is'nt just erased by saying
- or thinking it away.

It takes a very specific action - by your consciousmind, souls and angels
Until it is erased, it affects our unconsciousmind. It makes us think and
rather not.

We have had thousands of pastlives/incarnations - and each life we just

including Buddhism.

Religions do not hold any ascension truths. Nor do they connect you to
as that is acquired by the constancy of going within. (in fact religions 't
