As you have seen Heaven and can describe it to me, I have seen hell and can describe it to you. This isn't it.

Like Heaven, hell is a place made of energy, but instead of beauty, wisdom and light, you behold only a sea of fire. You have no eyelids so you can not blink. There's no physical pain but much time to think. What wrong have I done, how long must I stay, God please make this vision of hell go away.
