Like it is too defend as spoken,
so we should mend as a righteous token.
You see in all of nature we have Equal and opposite reaction,
These come from different factions;
The body or life adapts to how it reacts,
From natures impact.
So if all you see is spikey,
Why or what does it defend??
You see, why must we mend??
A garden of Eden, so bright??
A place that was right, that God did dwell?? and so..... can live here as
