There's a religion that throws a wrench in the works when it comes to combining faiths.

The problem comes from Christianity. "Jesus said, "I am the way, and the Father gets to the Father apart from me." (John 14:6) Jesus said He is the ONLY way, which makes it hard to combine faiths.

In fact, the Old Testament is full of stories about people being killed for worshipping the One True God. It says God is a jealous God and will not share His glory.
