These don't even look like Human skull's, some say they bound the heads effect?

They also say its not human?.....

To me that has a completely different bone structure to humans, and as for simple race binding babies; wouldn't an enlarged cranium provide more space to continue growing?

Earlier records of electric (Egyptian pyramids had light bulbs with batteries of our own; to build things we still don't know how?...

With better calculation of astrological alignments, time and even astrology have?...

Countless UFO sighting by respectable NASA and air force pilots of most
