The cause of diffrences amongst beliefs is the same as is on this site Paul changed the whole Bible and made Christ out to be God.

Paul said we only live once, Jesus said John the babtist was Elijah. also he asked his disciples, who did they think he was and they said one so they believed in reincarnation at that time. not as Paul said!!

Also God is the lord of the living and in Isaiah, it says if anyone seeks t Then there is no life in them as God is the lord of the living.

Also it says, that those who say such a thing, their testimony is fake. Isaiah 8:19-20
