ok, I haven't said anything yet about the devil. I wonder why this subject. No reason to be defensive, friends. I know he is real. oh of course God and I really don't know why He hasn't except He has a plan. So I haven't seen the devil. I believe He is there. Same with the stupid devil. When I go to heaven I will go to whichever demon tortured my mind the most so that I can kick his ass. I have the power in Jesus' name to cast him out and away from people and I have. But only, it'll be like kicking my shoes off and getting down to business!!! to the devil knowing the roaring lion- thinks he's all that . Even the devil knows the truth that is why we are all having trouble getting along. He uses his minions for example ESP and witches and mediums. They constantly commune with the devil. That is why they know so much about a person when you go to one. Anyways I'm over the board.

See ya!!!
