I am not a scientist and cannot articulate the things I DO know that have
can read and comprehend and have discovered many things that indicate
reasons.org they can tell you with great finesse the evidence that there

To presume that anyone knows everything would be a bit ridiculous. When
I will get some info off of their site. Some of it is way over my head. Like
Doesn't mean they are not real!!

I don't understand every answer concerning God or creation. But I know I
understood everything about sickness, free will, death ect.. the meaning
bother to talk to God? The same goes for any relationship we have. If we
know about a person then we wouldn't bother talking to them. Maybe God
these questions?!
