when I said "know everything" I meant EVERYTHING. Like you already know, I don't want to bother with the questions. Makes for a very boring relationship. No mysterious things out with relationships. That is my point. If you knew all the answers, there would be no need to ask God anything. That is WHY He leaves mysteries, so that we will have a relationship with Him.

Are you saying that God didn't make Himself known through Messiah, 2000 years ago? That is what you were saying there. But He has always made His presence known through His creation that. From the Universe to US and the tiny ant.

God has been leaving paths to relationship since the beginning. Eden, Jesus, Moses and the ark with the 10 laws and Levitical lifestyle guidelines that were given at the day of pentecost. We have always had access to Him one way or another through His relationship with us. Now we have the infilling and baptism of the Holy Spirit. He always make a way. THIS IS LOVE.
