You say and keep saying, no one has seen God?

I have and can remember who and what God is, that is what i have been

I have double checked, what I saw against most religious books to confir

Also a lot of what these people saw confirms that!

So I saw what God and the universe, is made up of. On a level that would
is very intense why I have trouble relating it all into words.

Yet I will try my best to relate as much as possible to you all.
