Ezekiel 38:8-12 states 'that they shall come in hoards, and take back the  
This was Zionism's movement back without the Messiah to establish peace

Ezekiel 20-22 already made clear, that when the people are brought back  
trial; where they shall meet the Messiah Face to Face (Ezekiel 20:35), and  
Judgement Day Fire (Deuteronomy 29:19-27), then after we come to the M  
(Deuteronomy 30:1-10).

Personally would like this Fire to be through education (Jeremiah 23:29)  
to educate people.

Yet generally so far people are not listening properly, as they don't real  
Heaven, according to the world's religions

God already told me at 4-6, 15, 21 years old, that ultimately this all disa  
Fire as Armageddon takes place; later I've read about it, and realize my  
as a warning before it happens.

Magog support Gog, Christendom gives billions in military aid to the Mid

Muhammadanism pretends to follow Muhammad, whilst ignoring most of th

One God - who manifests our reality.

If people did read more of the world's religions, they'd realize that Gog,

Where the concepts of Gog, and Magog go back to earlier Dharmic conce

The Zionists don't realize that prophecy clearly stipulates the Lord will b  
(Yeshua), as they've been told not to interpret the Tanakh for themselves  
when they've been guessing since Babylon.

We can prove I'm Messiah based on the knowledge God has given me bef

that my name is in many of the world's religions as one.

Part of the problem with the divide in the Abrahamic beliefs is that they Jews and Muhammadans want him to be only a man, and some Christians God.

The truth is Yeshua Elohim means the Divine Beings of Salvation.

It is down to mistranslation of these ancient languages, that everyone is

EL means the Source, and Elohim is a Divine Being... The additional H means breathed by the Source of reality.

Elohim is plural, and defines the Divine Council or Avatars plural.

Because of religious divide people are confused, and we don't need to all misunderstandings of language; when literally on accepting the return of through a university education based system, to have a new global demo
