What gets me about you using our site for marketing, is you don't seem to be the Messiah.

The Quran isn't the most spiritual book; I highly respect it, yet the Quran's distinction among the religious texts globally.

The Holy Quran is the most spiritual of all the holy books that have ever existed on earth for humanity.

*2:285 The Messenger has believed in what was revealed to him from his Lord and his believers. All of them have believed in Allah and His angels and His books and His messengers, [saying], "We make no distinction between any of His messengers." And they have obeyed. [We seek] Your forgiveness, our Lord, and to You is the [final] destination.*

*4:150-151 Indeed, those who disbelieve in Allah and His messengers and say, "We believe in some and disbelieve in others," and they wish to adopt a way in between - Those are the disbelievers, truly. And We have prepared for the disbelievers a humiliating punishment.*

*2:4 And who believe in that which has been revealed to you and that which was revealed before you, and they are sure of the hereafter.*

It contains the solution to all our problems and it's the only way to Allah. The Quran doesn't say it is a one stop solution to all problems, it isn't a replacement for the Bible. It's where the Bible was edited, and that means studying both books, under the same light, to understand the Quran.

The difference between true religion, and a cult mentality is that one tries to put under, the other is a inspiring way of life ascribed as Oneness.
