Seventh's latest ultimatum is that he will not question again, what I'm as texts to save mankind; unless I get Rabbis or experts with more knowledge. I'm a fulfilment of prophecy as the global religious texts show.

If I do ask him again to accept what I believe is Jewish prophecy, he will each time.

Seventh's pet stooge Olam the Golam, who claims to have a Masters in T brainwashed by 7th to reject what is taking place as a fulfilment of Jewish Judgement Day (Isaiah 28:1-23), and instead also concludes it is some r

Seventh hasn't looked at 95% of the case of the world's religion, and sim what I'm saying must be nonsense.

Some of the reasons for this is because he has always automatically reje claims he is down in Hell. Plus thinks that all Rabbinic Jews view that th Nachman - when I'd say his stories show otherwise.

Thus instead of 7th fulfilling the part, of noticing it is the Messiah debat are fundamentally in [Serfor as Zheublayel](#) or helping the Children who los Kingdom in [nate of Seven Beggars by Rabbi Nachman](#) decided to play the role of Devil against the Angel of the Lord, asking for the destruction of Israel, prophesied as wrong.

We're disgusted by the standards of the Rabbinic Jews online, where I'v rudely by 7th & his [wdrinepugusfor,ents.com](#)

So soon when the Judgement Day fire comes on mankind as prophesied; p people submitted for you all to be destroyed by God, instead of us all lea possible within prophecy.
