Over the last 16+ years I've appealed to the 7th Beggar to pass my appeal to God so that God cleanses the planet; where I could prove legally I'm sent with the name of the person sent having fulfilled the Trumpet before the Great Tribulation (Revelation 10), to rescue the people from the mess they've caused.

Since 7th rejects personal testimony, he has removed in his mind everything I've said in my life, and has rewritten it all.

7th has recruited, and indoctrinated others on Paltalk to go against what is the fulfilment of global religious prophecy; where because he has a PHD in Kabbalah and has read any of the other religious texts in question, he is willing to decide that I should be sentenced to destruction.

OlamChesedYibaneh is 7th's latest disciple, who has a Masters in Talmud and is not qualified as a Rabbi; where Olam has also now taken to mocking religious prophecy for Judgement Day.

Between them they've made me sick for years, because of making me feel like I'm the only one; where they don't seem to care they're acting like the Synagogue of Satan with [New name of the Messiah \(Revelation 3:9-12\)](#).
