7th has now banned me from speaking about people & their intentions; I doesn't have to reconsider it is being immoral to end people's existences

7th is basically playing the role of the devil, against the people of the world

7th has clearly been told, and thus is knowingly sentencing the human race he can win a chatroom debate, with me asking him to take Jewish prophesies

Soon according to prophecy Armageddon happens, where many will be slain time Betelgeuse is prophesied to go supernova.

7th as a professor of Kabbalah has chosen to act as an authority for all of you to answer for all of you to cease to exist; with me asking him to look into world

I think the outcome prophesied Biblically, is for him to be locked up as it seems to create disciples who are also malicious & slanderous.
