7th Beggar submitted that he supports my right to believe that I fulfil Biblical prophecy for the return of King David/Yeshua/Zion, with the name of the archangel of the Lord over the Middle East, and understands that I believe by his declaration to pursue the return of the Jews, choosing to kill the Rabbinic Jews.

Olam Chesed Yisroel submitted, that no experts would believe the amount of prophecies that we have from religious texts globally, and has also asked for a date for the return of the Jews & 7th think that if the date doesn't happen, it proves what I believe to be true.

Personally I'd rather fix religion globally as I've asked them for, and to save the human race; yet they've decided with the profane users (Synagogue of Satan in Revelation 3:9-12), to end the human race, and think that this is logical.
