Hi David,

Thank you for reading the email, and letting us know it has been looked

Do you know if there is an answer to the questions I've got for yourselves

Is there any way within the Jewish legal system, that I have any legal rights or prophecies, so that many don't get harmed in Armageddon; as I believe based on what has been given me, and what I've studied, we could repair the divisions between man and God, so we end up with an apocalypse starting in the Middle East, which will then

I understand that until these things are legally proven, it could all seem to you across as slightly crazy; yet I believe with a careful study of the details linked in the original email, it is possible to prove that I've got a Divine Revelation of my memories since a child, and what is within the texts, we can establish the case for then Yeshua, [Zion & Zion to fulfil prophecy globally](#)

As saying this is a massive case to show all the details of evidence to the world of the world's religions and about I know much of the data, I'm not a scholar in this; so the second question is it possible for a Jewish court to establish a case like this?

Just to be very clear as well, I've never really wanted to do any of this so I don't relay this to yourselves, and then Armageddon takes place, where as prophesied that we will see that Betelgeuse has gone supernova (Zechariah 13:4, Ezekiel 32:7), then I will know I didn't try this as an option before Judgment

It is prophesied I get ignored at our return to begin with (Luke 17:24-25) like the days of Lot (Luke 17:29-30); when Betelgeuse is seen to have gone supernova prophesied meteorite shower coming here, where the Elites have built up their preparation (Revelation 6:12-17).

I'd much rather have an opportunity to educate humanity, yet for that to happen I need the highest Jewish authorities detailing the case, else I don't know a way to overcome all the many misconceptions within the theology.

Just to be clear, I believe all these verses where it states the Lord of Creation is in my case (Isaiah 3:13, Isaiah 34:8, Isaiah 49:25, Isaiah 51:22, Micah 6:2, Job 40:1, Ezekiel 20:35, Hosea 4:1), I've been named after the Creator in quite a few places of this prophetic utterance, so this case is exceptionally serious, as people

if we do not actually fix their misconceptions.

Plus when I was 21 I fulfilled Revelation 10, three years before reading the interlink with the Lord sounding the Final Trumpet in all of these verses: (29:6-7, Jeremiah 23:19), Zephaniah 1:16-18, Joel 2:1, Isaiah 18:3, Jeremiah 6:17.

Obviously I'd like to diplomatically work with the Jewish authorities to fix their misconceptions, and since the people I've asked so far have just treated it as a matter, I'm asking a court, since I believe the documentation in the religious case to save people's existences.

Any help would be infinitely appreciated, as I honestly would like to use the people, and am not sure who I can ask other than yourselves to help rectify the matter.

Please let me know if there are any questions or if you also will dismiss this investigation?

Judaism has accepted that since the building of the Second Temple 2500 years ago ceased, Malachi being the last prophet.

For this reason we are unable to respond to your further questions.
