Hey DiamondDove,, dont feel bad about this. Lick your wounds, heal, and experience and maturity.. I used to be a sunday keeper, but when I started asked me to leave.. So I went to a sabbath church, the 7th day adventist. convinced about Gods 7 holy feast days like passover, day Of atonement, tabernacles ect. When I started keeping them, the 7th day adventists kicked keep them. I did a 6 yrs study and walk with new agers and pagans. I know Jesus there to much in the bible way. Or pressure comes to move you out too. When I was 24 I was asked to join the masonic lodge. I didnt know a I had found Jesus a few years before. So soon I started talking about the masonic lodge. That made them nervous and I was told I had to never meet again, or I would have to leave. Well I didnt even think about that one, I fast with my Jesus, they freaked.. I never thought twice about giving up not alone. I am 55 and have played with babylon and the anti-christ system. There are many scarred warriors, marching into glory and power, right in the saints have already been and done, where you just came from.. Your on the Keep your love and grace for them, after all they just dont know where we kidno, such an honor and privilege to share in the spirit, with you for a out...
