Hi Branches, Dude here - the easiest way out, is found in Romans, I forg statement Jesus made, "Many will make it into Heaven who never have he are justified by the law". Now Jesus is telling us ya dont have to know hi keep the law. Now the law hes refering to, is doing good works, being a to that voice in your head or our counscious. That is put there by God.. I something ya know ya shouldnt, remember how that voice tells us, Ya sho many people who listen to that voice and thats being called, justified by Jesus is, but they know that voice in their heads, and they listen to it. It heaven doing this.

I want to add to Wizandas gig about many churches. Hes right about diff parts of the bible. Very few take the bible in its entirity and thats a disit is the state of the dead. Most churches teach the parable of Lazarus and tormeted by fire. And use that to prove you are alive when dead. But Jes friend (another Lazarus) had died, and Jesus said, he was sleeping. The verses that say you are asleep when ded. The new testament talks of the sleep. Now most churches take one parable, and cmpletely ingore 60 oth words, about the dead being asleep. The churches teach the opposite of and say you are alive when your dead. That dont even sound right, alive Anywho this is the problem. They dont take evry verses on a given subje doctrine preached today is taken out of context, and is wrong. They teach burning in fire forever. But Malchi 4:1-4 says the wicked will be burnt up ashes. Theres no immortality there in that verse. But they refuse to look they are praeching lies and deciet. By looking at one verse, and not ever subject, we come up with a multitude of churches based on erroneus doct problem.. Dont let this happen to you kiddo, a good concordance will sto straight.

A church is a body of people, we have to have fellowship with God first. and they do me, then stay away and fellowship privalty and on forums lik so often, but its just to sing songs and praise God with a group.. Past t it, because it taeches the dragons doctrines of immortality of the soul, su spiritualism. The bible taken as a whole teaches saturduy sacredness, m to the Holy Ghost for miracles and gifts. The dragon (satan) pretty much can tell it by the doctrines they teach. So anywho, peace and love to you powerful and wonderful God, by talking to him in prayer, ponderings and Look for ways to use Him, miracles, knowledge, whatever. Use God and J and the Holy Ghost. We have four parts of the Godhead who just love to dont need no church for any of that...and it will fill your cup to overflow
