Hi David, I feel your pretty close to the truth here. I have experinced The problem is obvious and its told to us in Rev 13. Here we see a beaut sun, moon and stars. She is the church of God. It goes on to say that the makes war with her, by sending a flood after her. It goes on to say that t opening up and swallowing this flood, the devil sends after the church.

Obviously this needs some explaining. The women is Gods people, The fl are people who are not converted in thier hearts, The bible calls them ta Gods answer to all of this, is to have the earth open up and swallow the happened yet, but will happen in its appointed time. That time seems to l comes to earth to start uo the kingdom of God age which Daniel 2:44 talk

Now there is a church in almost every town in America, and Europe. If swallows up all the tares and bad fish, we can see the magnitude of the world wide. The only thing I know of, that is world wide like that, is wher to earth. Jesus said when he returned, his feet will land on Mt olives, an for the saints to go to. The New Jerusalem is about 1,500 miles square. be. Thats a huge earthqake, 1,500 miles across. So it seems this is wher swallowed up, to cleanse the church. God has an answer to all of this, a right, there is no freedom of speech in denominations. I have been to su talked about the 7th day sabbath, to only get kicked out. I have been to churches to talk about feast keeping, to only get kicked out. There is an mankind, they get some truth and fixate on it. But then they close the do God sends a messenger to bring these other truths, they cast you out as and shameful, what is going on.

I suspect there will be more people who are given eternal life, who never see the hypocracys, but are good people, and are thus counted worthy to people who go to church will probably make it, because they have made f truth their arm. And so it is, and so it shall be. Plus we also have satani seminaries and churches to make damn sure it stays the way it is. Also w oversee the denominations to make sure it stays the way it is. Jesus told people, its about wicked spirits, pricipalities and such. The sooner we le enlightened we become. Peace to you David. Good thread and very good
