Dude here, quote -(the holy spirit appeared as a dove at Jesus baptism a day of pentecost)..

This is interesting, because all bibles talk of the Father, Jesus, the Holy Now that adds up to four. There cant be three in the trinity, but four in t sense. Then BINGO- your right. lol .It would appear there are 4 in the G spirit was working on earth before Jesus came. Jesus said it was importa Father, so he could send the comforter, or the Holy Ghost!

I have wrote about this already, but will post it again. The Father is die created angels, it appears that the Holy Spirit created them as God spok spoke and created life on earth, it appears it was the holy ghost, that cr The Holy Ghost in ancient Hebrew is called Shekinah. The Holy Spirit is the mother of us all, and the other is the twin sister of Jesus christ.

esus was born, not created. He was born with a twin, the Holy Ghost o would have been seen with Cain and Able, who would have been born wit became their wives. Sin disrupted this pattern.

In the garden of Eden in genesis, chapter 1, it says, lets "US" make m FEMALE, made He them.. So we see that man and women are made in the because ther is male and female in the Godhead. The Father and the Hol Jesus and the Holy Ghost go together. Father, Mother, and Son, Daughte earth.

What bothers me tremendously is how could we have read the same bi and count 4 as being three. And never saw that. Someone or something i humanity and this is a classic example of it. We all know God+ Holy Spir But somehow we translate that into a trinity, or 3...

This is really demonic stuff here, this kind of controll over people. W to find truth, when this type of mind controll is being put on humans? No we serve a mighty God, who is merciful and gracious, or every single one because of this mind controll over us.

think it comes from the morpho-genetic grid; the next dimension out; mind weapons at us, to controll our thoughts. Many out of the body trave this go on. So what is going on really? Who are we really? How do we lea handle, mind controll? How do we share truth without getting killed, or h

How do we add up 4, into a trinity, or 3? Who the hell put that kind of freaking world do we really live in? Is there any escape from mind control? Don't think so.

And what does it mean, after a thousand years of adding 4 to equal 3, is this a sign the end is near? Is this a sign, we could all be killed because $4 \neq 3$? What the hell is going on? In Jesus name - amen.
