Someone who follows his teachings:

What were his teachings?

Quote:

1. To be like children in spirit, not having a comparative way of judging innocence.
2. To receive eternal life, follow the commandments and give up wealth,
3. By forgiving others and changing your ways, then you are also forgiven
4. By how you think, you will be judged; with what measure, you will be rewarded
5. Christ taught to share amongst everyone, remembering Christ in the spirit of the family.
6. Talk to strangers and even give to your enemy, to show them love.
7. Keep to the law of the Bible, especially the commandments.
8. By watching what you say and how you act towards others is what you are judged by words by your works.
9. That God is the king of kings and lord of lords.
10. Aiming to be perfect, as God is.
11. To understand that the knowledge of God is more important than sacrifices
12. To increase the skills that you are born with, and not worry about power
13. That in the ways of nature (world) there are principles that can be used as parables that Christ taught.
14. That we all can be as Christ was and work for God, so making us brothers
15. Show people 1st by example of helping others and then teaching the

What is not following Christ, yet are Christian teachings?

Quote:

1. To be like a Pharisees having judgments ready for everyone, adding a heavy.

2. Those who believe he was murdered by God, so you can steal his inheritance eternal life without following his teachings; this is stealing as in the parable. Also how can you be a friend of someone and then say it was good they died?

3. Those who don't watch their wording and action to help others. Also they don't give it up to Christ, as if he told you to.

4. People who think that Christ will take every sin off you, and by himself it is who you are and how strong your spirit is, not how much you can learn from your own work; as his parables tell you.

5. Following the drinking of wine in remembrance of him wasn't said by his followers not to drink of the vine, it is mistranslated on purpose). So as to those believing you are eating his flesh, this as far as is established in the old testament cause, for people to be chucked out of the house of God, according to the law.

6. Not mixing with sinners and only giving to each other to edify each other, not revenge, as God will get them and drop coals on their head.

7. You are free of the law and by believing that God came and died for you.

8. It is not by your works, yet by faith alone in Christ.

9. Christ is lord of lords and king of kings, people have taken a human person and becomes a king. Yet God is infinite, so when does that happen that Christ has been given authority over people, yet as a lord not as God, who has no end?

10. Aiming to be as Christ; when he told you to be perfect and that people should be with faith in God.

11. To believe that through Christ being a living sacrifice, you have eternal life.

12. To have wealth so that you can help others.

13. That nothing can be learnt from the ways of nature (the world).

14. That we must be under Christ and the most we can ever reach is a servant of Christ.

15. 1st convert people to the teachings of Christ, and then through his example.

Now all of the Anti-Christ teachings are written by John and Paul and to show you scripture, too show you why not. Now if you believe in any of the last list and go over Christ teachings your self, as all of these are from the beasts.

break the commandments, break the law, and if you are supposed to be a Christian, you will definitely be judged by the words he said.

There is probably more I can add to this, yet these are some of the key to the most despicable things I see taught by Christians.

So for each of these, I will go over it in scripture and explain where and how it is found in many of my articles, yet I felt I would make a quick list.

To see where else people need some of these points explaining, even for those who are not Christians, I must say it is like a big knot of string; that needs untangling to even see the truth is.
