Hi David, here is something you might be interested in. It was an out of body experience I had in the late 1800's; similar to wizanda's experience, but different..

I have seen the tender love God has for his people and it is very great. I saw the harmony in the holy city. All the angels that are commissioned to visit the earth, which they present to the angels at the gates of the city as they pass in and out of that place.

The Lord has given me a view of other worlds. Wings were given me, and I was taken to a place that was bright and glorious. The grass of the place was green and there warbled a sweet song. The inhabitants of the place were of all sizes and lovely. They bore the express image of Jesus, and their countenance was expressive of the freedom and happiness of that place. I asked one of the more lovely than those on earth. The reply was, "We have lived in strict obedience to the commandments of God", and have not fallen by disobedience like those on earth. Then I saw two trees, one looked much like the tree of life in the holy city, the other beautiful, but of one they could not eat (tree of good and evil). They had been forbidden to eat of one. Then my attending angel said to me, "None in the world could eat of the forbidden tree, but if they should eat, they would fall".

Then I was taken to a world that had seven moons. There I saw good old Enoch translated. On his arm he wore a glorious palm, and on each leaf was written a name. His head was a dazzling white wreath, and in the middle of each leaf was written a name. The wreath were stones of various colors, that shone brighter than the stars, and the letters and magnified them. On the back part of his head was a bow that was upon the bow was written "Holiness". Above the wreath was a lovely crown. When the sun, I asked him if this was the place he was taken to when he left the earth. He said, "The holy city is my home, and I have come to visit this place." He moved about the place. I begged of my attending angel to let me remain in that place. I could not return to this dark world again. Then the angel said, "You must go back to earth, you, with the 144,000, shall have the privilege of visiting all the worlds of God." End of experience and out of body visit..

This is from a book called Early Writings by Ellen G. White. She was a prophetess who died in 1917. She had over 2000 visions and never breathed, during her out of body experiences. Many of them are recorded in her book. She helped restore the 7th day sabbath back to the churches. This started the Seventh-day Adventist ministry, that started a chronological establishment of seven truths the world had lost through the murder of the early church. All 7 truths have now been restored. Anywho, thank you, David, I certainly do! I think Enoch has been over me before, in his visions. While searching and discovering, I talked about to you before. I certainly felt his presence, and still do today, at times.. Peace to you and much love my brother..
