The Cosmic Pulse of Life by Trevor Ravenscroft, ISBN # 0-945685-07-6 page 283 - Ethereans whose amazing space ships that speed thru our sky ability to look into and tune in any human mind on earth. In their commu repeatedly said they have this capability. The watch the doings of people policing operations.

Operating from the unseen, Ahrimanic powers are the stimulators, inspired controllers of human beings they wish to use for death, destruction, or ev controll over denominations. Such psychic controll through advanced typ the menace I was warned about!

Earthman by the thousands are already under this type of control. Ever of this problem. The televised hearings on many U.S. controversies in th known decent, moral men; make serious unethical decisions when it coun no more pungnant example of psychic control by these ethereans than thi inspired to tear the moral and ethical fabric of america to shreds!

People of earth had best take note that psychic control of earth is far, fa of this source and its expansion, depends on one fact, "human ignorance quote)

I feel led to say that this is most likely whats going on here. David came literature and such. All was good untill he changed suddenly into" all ali no bad ones". It would seem he came under psychic mind controll by thes say that. He lost all common sense and become rigid in his beliefs. But i that way. Apperently, we drew the attention of the ethereans and they st beaming, is when it all feel apart. The same could be going on with wiz, then it all falls apart. Again this is probably radiotronics beamed at him something similiar happen also. I know something from the outside is pus at times. And its out of character for me and I know better. But yet it ha We need to put this before Yashua, and ask that this is blocked and to b

psychic radionics control from ethereans!
