Hi Ted, no they dont have a website that I am aware of. But I do have the  
1500 N. Texas Blvd, Texas, 78596

If you write them, you should know something. After the third correspond  
you have to join within 10 days, or you are forever sealed and blocked for  
day period. Thats what happened to me, I didnt join after that notice, they  
down there and tried to get in but they couldnt let me in. They still had a  
rules set up by Yashua, is what they told me. They are real easy to find,  
super walmarts, in a two story house surrounded by privacy fence on the  
link fence on the highway side. They are right off the main highway there  
writing them once, then driving down there. Set up an appointment if ya  
helps.. Have a nice day. dude here and I am going for my ufo ride, see y
