When you said "I have been sent to do this" what do you mean by that and your point that the names are different but the reference is to one God the names are different but the gods they refer to are also different. Allah the not beget but the god that christians worship does. And bhuddist according creation of Allah but not Allah or they worship the beauty of the creation mighty and majestic Himself. In other words anybody who is worshipping a worshipping a false god.
